**CODE WORD:**

The code word is used for maintenance and testing purposes. As per 40.42.080 CMC you are required to notify the police prior to testing or maintenance work being done on your alarm. When notifying the Police please give the dispatcher this code word: \_\_\_\_\_

I have read the requirements listed on the attached information sheet and understand the responsibilities under this ordinance. I certify under penalty of perjury that all the information and statements made herein are true and correct to the best of my belief and knowledge. I understand and agree to notify the Police of any changes in the written information in this application within (5) five days from the date such change occurs. The City of Coronado and the Coronado Police Department are under no special duty or obligation to an alarm user or any other person by reason of any provision of this ordinance. The City, Police Department and it's employees are not responsible for damages to your home while checking an alarm activation. This includes a forced entry into your home for emergency purposes.
